Please read the following statement and sign below:

International Canine Semen Bank – KNOXVILLE (ICSB-KNOXVILLE) agrees to collect, freeze and store canine semen from the above dog. The frozen semen will be available to the semen owner(s) for use/shipping following standard procedures, instructions to be supplied to the semen owner after the semen is stored. Payment is due at the time of collection. Initial collection, freezing and storage fees will include the first year of semen storage.

Late payment is subject to a 1.5% per month (18% APR) interest with a minimum \$4.50 late fee per month. After 90 days of non-payment, the account will be placed in inactive status. There will be a \$20 fee for reactivation. After 180 days (6 months) of non-payment, the frozen semen will be subject to disposal and the account submitted to a collection agency. Accounts must be current in order for frozen semen to be released.

ICSB-KNOXVILLE fees for semen collection, freezing and storage are charged at the time of collection and on an annual basis for storage. There are additional fees charged by ICSB-KNOXVILLE when the stored semen is shipped for breeding or transfer. These fees are usually termed shipping preparation, shipping tank rental, and actual shipping charges to ship the semen to its destination and for the return of our empty tank. These fees will vary, depending on quantity and destination of the frozen semen.

I understand that if by human error or otherwise an error were to occur during the freezing, storing or shipping process that ICSB-KNOXVILLE can only be held liable for documented costs associated with the breeding the semen was shipped for, and/or the cost of the freeze and storage during the time kept at ICSB-KNOXVILLE. No future losses, psychological damages or unnecessary procedures will be compensated for. ICSB-KNOXVILLE offers a limited liability not to exceed \$2500.

Sperm cells will eventually cease living, but no one knows or can predict when this will occur, and it can vary from dog to dog. ICSB-KNOXVILLE shall not be held liable for, and cannot guarantee conception from, frozen canine semen. Nor can ICSB-KNOXVILLE guarantee that the frozen sperm cells will be viable at the time of thawing for insemination.
