**INTERNATIONAL CANINE SEMEN BANK – KNOXVILLE**  
FEES FOR PROCESSING CANINE SEMEN FOR FREEZING AND STORAGE  
(Per dog basis)

**FILE PREPARATION**

(Preparation of file, computer entry, report to registry) \$42.25

**SEMEN STORAGE**

(Annual storage fee for each group of 30 vials or less. \$66.00  
Each vial is one insemination)

**SEMEN COLLECTION, EVALUATION, FREEZING**

(Based on 4 vials. If more than 4 vials are produced by  
the dog at each collection and the owner wishes to store all  
vials over 4, then each vial over 4 is an additional \$60  
charge.(Fees are not waived for poor semen samples.) \$238.75

**TOTAL BASE FEE** \$347.00

---

**DNA IDENTIFICATION SERVICES** (Now required by AKC, UKC and American Field registries)  
ICSB can provide the kits, instructions and assistance for obtaining the DNA specimen (no blood required) to submit to  
the registries. Call for fees.

**SEROLOGIC TESTING** Negative Brucellosis and Lepto tests are *highly* recommended at the time of freezing as they  
may be required for future breeding or shipping needs. Please call to discuss costs.

**KENNEL CLUB SHOWS AND WORKSHOPS**

ICSB is happy to provide its service clinic for dog shows. Contact us about our club service program. ICSB is the only  
company approved and sanctioned for the kennel club shows by the American Kennel Club.

**KENNEL CLUB SEMINARS**

ICSB and its representatives can provide seminars and workshops for kennel clubs. Contact us for more information if  
interested.

**VILLAGE VETERINARY MEDICAL CENTER** also provides OFA evaluations, PennHIP and CERF eye exams.  
Please call to schedule an appointment.
